BOY SCOUTS TAKE TRIP ON STEAMER

Excursion Is Preliminary to Conducting Tag Day Next Tuesday.

More than 400 youngsters yesterday went down the Potomac aboard the steamer St. Johns to River View as the guests of the officials of the local branch of the Boy Scouts.

The excursion was given for the purpose of interesting the boys of the city in the Tag Day campaign. Next Tuesday is Tag Day. Thousands of tags will be sold, the proceeds going toward the general Boy Scouts fund.

No tickets were needed for the excursion yesterday. Every boy who made his appearance at the Seventh Street wharf yesterday morning was gladly welcomed aboard the palatial St. Johns. At 10 o'clock the steamer started on her trip to the river resort. As soon as the youngsters landed at River View, they plunged into the waters for a swim. After about an hour's sport in the Potomac, they played baseball.

Lunches were spread and the boys gulped the food in ravenous manner. Early in the afternoon they gathered in the big pavilion, where they were addressed on the subject of Tag Day by Edgar S. Martin, superintendent of playgrounds, and Boy Scout commissioner; and Malcolm F. Jenkins, who is in charge of the summer camp, which will be conducted at River View this season.

The boys returned to the city at 1:30 o'clock in the afternoon. The return trip was made unusually early so that the boys who had newspaper routes might reach the city in time to serve them.

The boys were headed by Scout Commissioner Martin, John Embury, assistant Scout master, and Mr. Judkin. Dr. Murray and Lucas, of the local Health Department, accompanied the boys on the trip for the purpose of inspecting the water supply and investigating general sanitary conditions of the proposed summer camp. F. C. Wood, H. B. Williams, J. R. Cogrove, and J. B. Byrn, all of whom are interested in Boy Scouts activities, went down the Potomac on the trip.

TO FLY OVER CITY.

Paul Peck to Use New Monoplane of His Own Invention.

In a monoplane of his own design, Paul Peck, the young Washington aviator, proposes to soar over the city between 4:15 and 5:30 o'clock this afternoon, if the weather conditions are favorable. If the motor runs smoothly this afternoon and atmospheric conditions are favorable, the overcity flight will be made. Peck will fly at an altitude of about 2,000 feet.

Peck has made a number of successful flights in his machine at College Park. He is delighted with its operation. If the motor runs smoothly this afternoon and atmospheric conditions are favorable, the overcity flight will be made. Peck will fly at an altitude of about 2,000 feet.

HOUSE BALL TEAMS READY TO CLASH

Representatives in Congress to play Ball Game To-day for Charity.

The Democrats and the Republicans will clash to-day in one of the most exciting ball games ever pulled off at American League Park. Two teams composed of members of the House will play ball for the benefit of the playgrounds and the Boy Scouts of the District. Representative Webb announced last night that Walter Johnson will do the umpiring.

Speaker Clark will be there and will toss the first ball. After the game, after performing this feat, the Speaker will turn the gavel over to other members of the House, who are to umpire. The Marine Band will play during the game.

For the benefit of the soldiers, arrangements have been made to give them the earliest news from Chicago, should anything exciting happen in the Windy City while the game is going on at the ball park. Also, the scores in the American League will be telegraphed to the park and posted for the benefit of the dyed-in-the-wool fans who are present.

The original line-up of the teams, subject to change, of course, is as follows: Republican team—Anderson, catcher; Miller, pitcher; Hartman, first base; Kendall, second base; Porter, third base; Farr, shortstop; Reburn, left field; White, center field; Lafferty, right field; Sloan, substitute.

Democratic team—Rouse, catcher; Webb, pitcher; Rauch, first base; Kin-kaid, second base; Harrison, third base; Scully, shortstop; McDermott, left field; Edwards, center field; Carter, right field; Davis and Page, substitutes.
